Dear CCCS Families,

On behalf of the Board and the Search Committee, I am enthusiastically announcing that we have hired a new Head of School at CCCS, Mr. Darren Price (pictured below)!

After reviewing a sizeable and promising candidate pool and narrowing it down to a short list of viable candidates, the Board unanimously agreed to offer Darren the position as Head of School. Darren's unique experiences and talents combined with his keen insightfulness and appreciation of CCCS made him an obvious match. In addition to our own desire that the Holy Spirit be the guiding force of this process, we are thankful for all the prayer support many of you have given us. Looking back, we can see clearly His hand in the path and ultimate outcome.

Darren is currently the Director of Technology and School Improvement at an international Christian school in Daejeon, South Korea where he has held numerous leadership roles over a ten year period. He is also a doctoral candidate in education leadership at Lehigh University and expects to complete his doctoral dissertation in the fall of 2012. Most importantly, it was clear to me and others that met him that Darren is passionate about Christian education, and making sure that our school offers the highest quality of education.

Darren and his wife, Laura, have 3 children: Kacy, 8 years old, Sara, 5 years old and Ethan, 21 months old. Kacy and Sara will be attending CCCS in the 3rd grade and kindergarten, respectively. Laura has worked in the elementary school in Korea and will be taking time off with Ethan next year. The Price's will finish out the school year in Korea and move to California in the summer. Darren will begin his new role at CCC, as Head of School at the end of July of this year.

Over the coming months, we will be in touch with Darren and will be assisting him in any way we can to make his transition as smooth as possible. The Board hopes you will join us in praying for the Price's as they prepare and anticipate this move.

In Christ,

Bob Moranville, Board President
Contra Costa Christian Schools Association
